So Santa brought a bunch of nice, new electronics for Christmas and you need to know how to secure them in the online world?

There have been lots of sessions in the District targeting parents of high school students; however, this information evening is all about Primary and Intermediate kids.

Did you know that Minecraft has a chat feature? Wii, DS, PlayStation and Xbox all do as well.

Come learn what is out there, and how to help your child stay safe while enjoying this wonderful technology.
